# DISCOVER GRANDE

## POLISHED GLAZED PORCELAIN

Thanks to meticulous digital design process and most advance polishing technique, its beauty is preserved overtime against constant wear and tear.

- **Inspired by natural stone marble;** an excellent choice for living, working or relaxing spaces
- **Extra large square shape** enhances design continuity, creating luxurious and spacious interior spaces
- **Bigger rectangular shape** contributes to create a sense of direction, dynamic atmosphere, and enhances the prestige of architectural spaces
- **Flatness guaranteed:** a result of uniform compaction process and extra high firing temperature

# SHADE VARIATIONS

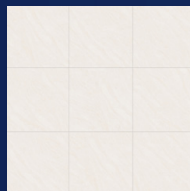

Shade variations are the characteristic of the tile that deliberate and visible differences in graphics and colour hue. Digital Tecnica technology creates stunning porcelain tiles with hyper-realistic surface tones, markings and textures which mimic a range of natural materials including; stone, timber, terracotta, cement, mosaic, marble and more.

## V1 (Uniform Appearance)

Differences among pieces from the same production run are minimal.

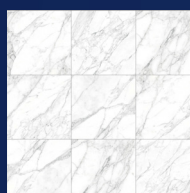

Olwen Bianco  
80x80

## V2 (Slight Variation)

Clearly distinguishable differences in texture and/or pattern within similar colors.

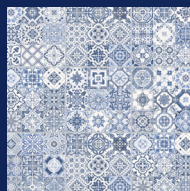

dMaroota Bone  
80x80

## V3 (Moderate Variation)

Amount and intensity of colors on each piece may vary significantly.

dStirling Bianco  
80x80

## V4 (Substantial Variation)

Random color differences each tile, so that one tile may have totally different colors from other tiles.
